

Attitude

The longer I live, the more I realize the impact of attitude on life.

Attitude is more important than facts.

*Attitude is more important than the past, education, money,
circumstances, failures, and successes.*

Attitude is more than what others think or say or do.

Attitude is more important than appearance, giftedness or skill.

It will make or break a company, an organization, a home.

*The remarkable thing is you have a choice every day regarding the
attitude you will embrace for that day.*

We cannot change our past; we cannot change the inevitable.

*The only thing we can do is play the one string we have...
and that is our attitude.*

*I am convinced that life is 10% what happens and 90% how I react
to it. And so it is with you...*

You are in charge of your attitudes.
