## Watch out for dust!

Keep an eye out, because termite season is upon us! All of our homes have termite protection so if you see any evidence of termites, please contact us so we can send someone out to treat the area. Changing the air filter monthly will not only keep your A/C nice and strong but also help filter out any allergens in the air!

**Remember to change air filters monthly!**

# COMMUNITY RESOURCES & VOLUNTEERING

## DAYSTAR LIFE CENTER

- ▶ When you walk through the door at Daystar, you will be greeted personally with a sincere welcome and heartfelt neighborly care. Our entire team is carefully trained and faithfully dedicated to understanding your unique situation and making sure your needs are addressed. In some cases, we may refer you to other caring community organizations who have more of the resources you require.

## ▶ EDIBLE GARDEN

Daystar volunteers harvest our edible garden on Wednesday, and provide produce directly to clients at our center every Thursday morning.

## ▶ VOLUNTEERING

Daystar volunteers fill many positions, bringing hope and help to our neighbors in need. Opportunities are open to individuals, families, students, service organizations, and businesses

## ▶ DONATIONS

In-kind donations of food, pet food, personal hygiene products, and new or gently used clothing can be dropped off Monday through Friday 9am-5pm at Daystar Life.
